SUPERVISORS HOLD REGULAR MEETING

The Board of Supervisors met in regular session Monday, October 21, there being present P. H. McEvoy, presiding, D. E. Blackburn, Wm. H. Brown, Jas. T. Casey and Jos. M. Francis.

A petition signed by Mrs LaDieu and others was presented asking the board to declare Central avenue in the Roussell tract near Redwood City a county road.

McEvoy asked that the petition be referred to him as he wished to familiarize himself with the situation. The petition was so disposed of on motion of Casey, seconded by Francis.

A communication was received from Raymond Jackson of San Francisco who had recently fallen into the hands of the motorcycle officer at Halfmoon Bay for speeding, offering the suggestion that the speed limit permitted on mountain roads be increased from 10 to 15 miles an hour. He alleged that to compel a low rate of speed on a down grade would be injurious to machines.

The district attorney stated that as the law regulating the speed of automobiles had been made by the legislature it would be useless to ask the supervisors to amend it. No action was taken on the communication.

Geo. M. Smith, city clerk of Daly City, sent a communication notifying the board that additional street lights were needed in that city which was a part of the Colma lighting district.

E. W. Florence, the superintendent of the Pacific Gas and Electric Company stated that a previous application for additional lights at Daly City had been refered to the district attorney who gave as his opinion that the incorporation of Daly City had dissolved the lighting district in so far as it applied to that city.

The matter was laid over until afternoon.

A communication was received from the anti-Single Tax League asking the board to adopt a resolution in opposition to the Single Tax amendment to be voted on at the coming eelction. It was ordered that the matter be taken up for discussion at the next meeting.

An ordinance regulating the wiring of houses for the electric current was introduced. The district attorney stated that he had submitted the ordinance to the electricians of the county and it was pronounced satisfactory.

Francis thought it would be better to defer the passage of the ordinance until each member had an opportunity to examine it carefully. It was ordered that the matter be postponed until the next meeting and copies will be furnished the members in the meantime.

The district attorney advised that an ordinance be adopted regulating the laying of sewers outside of incorporated towns. Some of the work had been done contrary to sanitary rules and will be troublesome later.

Mrs. Mary Raleigh of Daly City was granted the usual allowance provided by the State of $6.25 for each of her three half-orphan children.

R. W. Morton, the consulting enginer in connection with the proposed road bond issue, rendered a lengthy report on the work that had been done by Surveyor Neuman, recommending some changes in the right of way for the roads. He further recommended that options be secured for those rights of way, that the work of constructing the roads should not be interrupted should the bond election carry.

On motion of Blackburn, seconded by McEvoy, the county surveyor was authorized to secure the necessary options.

The following communication was received from the Spring Valley Water Company relative to the company's flume at San Bruno:

To the Honorable, the Board of Supervisors. Gentlemen: Referring to a conference this day held by and between a special committee of your Board consisting of Supervisors Casey and Brown and the undersigned, relative to the pipe line and flume of this company in the county road in the vicinity of San Bruno, I beg to submit to you at the request of said committee the following statement of the attitude of our company in the matter: The existing pipe of the Spring Valley Water Works, the predecessor in interest of the Spring Valley Water Company, was laid upon this strip of land in 1884 when the land was owned by the San Bruno Turnpike Company, and was laid under a grant given by the last named company to the Spring Valley Water Works. Long after the pipe was laid the strip was conveyed by the San Bruno Turnpike Company to the County of San Mateo, and a portion of it has since been used as a county road. The county took the strip of land from the Turnpike Company burdened with the easement previously granted to the water company. The Spring Valley Water Company has no disposition to insist upon the maintenance of the pipe above ground, but, inasmuch as it was laid under a grant of the then owner of the fee, it cannot be expected that the company should bury the pipe at its expense. It will be very glad to bury it, however, if the county will make good to it the actual expense which will be incurred in making the change.

Yours very truly, JOHN E. BEHAN.

San Francisco, Cal., Oct. 19, 1912.

The communication was accepted and ordered filed.

Casey and Brown, who were of the committee that waited on the water company, reported that Spring Valley was willing to remove the flume but thought it just, under the circumstances, that the county would bear half the cost of the undertaking. The total cost would be about $10,000.

Mr. Swart thought that the county had a right to order the removal of the flume.

Casey moved that the district attorney be directed to commence an action against the Spring Valley Water Company to have the flume removed. He was seconded by McEvoy and the motion carried.

R. W. Morton, the consulting engineer said that steps should be taken at once to secure rights of way for the San Bruno road from San Francisco to South San Francisco, as that road which was also included in the proposed bond issue was crossing the property of the Southern Pacific and private owners.

It was moved by Casey and seconded by Brown that a committe of three, including the chairman, be appointed to confer with the railroad in the matter. The motion carried and the chairman appointed Casey and Brown who with himself will form the committe.

Superintendent E. W. Florence of the Pacific Gas and Electric Company presented a new contract for lighting the courthouse at a price of three cents per kilowatt, against the present rate of six cents. Mr. Florence explained that the new price would effect a yearly saving to the county of $250.

The contract was accepted and referred to the district attorney for some alterations.

District Attorney Swart reported that having investigated the claim of the county against Manuel Fernandez for board at the county farm he had learned that Fernandez had been permitted to go to the farm by a former supervisor with the understanding that he would not be charged for his board. Under those conditions Mr. Swart doubted if the county could compel Fernandez to make payment.

The matter was left with the district attorney for settlement as to his judgment.

The extension of Sylvian avenue of San Bruno, petitioned for by residents of that place some time ago and referred to the Railroad Commission, was taken up. The district attorney presented a communication from the commission to the effect that before action could be taken maps would be required showing the position of the avenue, the railroads and the buildings on and near it.

It was moved by Casey that the surveyor proceed at once to prepare the necessary maps and furnish all other information that will aid the Railroad Commission in speedily and satisfactorily settling the matter. The motion was seconded by Brown and carried.

Charles L. Bieble, a member of the city council of Daly City, appeared before the board in support of the application of that city for additional street lights.

On account of there being some doubt as to the board's jurisdiction the matter was laid over until the next meeting on motion of Casey, seconded by Brown, and referred to District Attorney Swart, who will confer with the attorney of Daly City.

Enos B. Ralston was granted permission on motion of Blackburn, seconded by McEvoy, to withdraw his petition for a new road in the Third and Fifth townships.

A map of the Kerr Subdivision, being a part of the S. S. White tract of the First township was accept for record, the streets being rejected.

The clerk was directed to publish a notice calling for bids for furnishing thirty 40-watt tungsten lamps for the Lomita Park Highway Lighting Distrct.

The chairman stated that Mr. A. G. C. Hahn of Menlo Park had accepted the appointment of Exposition Commissioner to represent the Third district of the county. The appointment was made on motion of Brown, seconded by McEvoy.

The chairman was authorized on motion of Francis, seconded by Casey, to purchase corrugated culvert pipe to the amount of $450 for use on the La Honda road.

Blackburn stated that he was unable to construct a retaining wall on the county road near La Honda at the estimated cost of $500. On his motion, seconded by Francis, the clerk was directed to publish a notice calling for bids for the job.

Chairman McEvoy was authorized to make some emergency repairs on a joint bridge crossing the San Francisquito Creek near the Burke place, for which Santa Clara county will be expected to pay one-half of the cost.

On motion of Francis, seconded by Casey, Mitchell & Savage were directed to appear before the board at the next meeting, with all data in connection with the San Gregorio bridge with a view to settling some disputed claims aginst the contractors.

On motion of Francis, seconded by Brown, Percy Weeks was appointed inspector of bridge and culvert work at La Honda at a daily wage of $3.

NEW FACTORY BUILDINGS ARE BEING ERECTED.

Daly & MacKenzie, the contractors, have completed the work of preparing the foundations for the machinery to be installed in the new factory at the southern extremity of town. Judging from the character of the work done the machinery will be of great weight. The owners of the the proposed factory have purchased ten acres of land for their plant, have sunk an artesian well from which an ample flow of water has been secured and have made connection with the Dumbarton-Niles railroad. They are going on with the work of erecting buildings but have not yet disclosed the nature of their plant. They seem to mean business, however, and that is all the public is interested in.

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

The peninsula charmed Gasper de Portola and Vancouver. It does you also or you would not be here. Help us populate it. We want names and addresses of those who might be ointerested.
DEVELOPMENT ASSOCIATION.

The man who would wreck his party to gratify his personal ambition, would not hesitate to sacrifice his country for the same purpose.

Deprived by the Johnson machine of the right to vote for the candidate of their National party, Republicans must per force take their choice between two enemies of their cherished traditions.

As a practical mechanic John MacBain is well versed in the work of road construction. With him as their representative on the board of supervisors, the people of the third district need have no fear of expensive and useless experiments.

While the people of San Mateo county want practical progressive legislation, they are not looking for fads. The record of Henry Ward Brown in the Assembly is a guarantee that he will not be lead atsray by impracticable ideas of legislation.

Former United States Senator Charles N. Felton of Menlo Park has announced his enlistment with the great army of California republicans whose vote will be cast for Wilson as a rebuke to the bull moose machine which denied them their constitutional right to vote for President Taft and the republican platform.

Assuming for argument sake that the statement of Mr. McEvoy, in which he claims to have saved certain sums of money for the county is true, yet the tax payers should not forget that he ruined two of the main highways of his district. The money wasted on these two roads was double the amount of the sum alleged to have been saved.

At this time the people of San Mateo county can not afford to take chances on the character of man who shall represent them in the legislature. Henry Ward Brown has a record of long experience in the Assembly—and it is a record of which any man may well feel proud. A man of absolute independence—the tool of no boss—he can be relied upon to protect the interests of the people.

In seeking re-election to Congress from this district, Hon. E. A. Hayes is asking for the support of the people of this section not solely as a Republican, but as a man whose business and interests are located in the central coast counties, whose interests are of this section, and who knows what this section wants and the best way of getting it. His experience, coupled with his ability to serve the people is his strongest asset in this campaign. Mr. Hayes has given practical evidence of his desire and ability to assist in the development of San Mateo county and will receive practically its unanimous support.

As the local campaign progresses it becomes more and more evident that John MacBain will be elected as supervisor from the third district, and that by a substantial majority. Not only will he receive the united support of the voters of the Republican party, but the votes of a large element of the Democratic party, among whom his abilities and sterling intergity is thoroughly recognizes and appreciated.

This strong support comes from citizens who have carefully considered the needs of the district and recognize the fact that a man of practical experience is needed to care for its interests. Knowng that the coming four years is to be an era of improvement, these people are demanding that they be represented by a man who knows how this work should be done and is fully capable of seeing that they get full value for thier money.

One of the best arguments in favor of the election of H. C. Redgers, the Republican nominee for supervisor from the first district, is the fact that his strongest support comes from the people of Colma, his home town, where he has a host of friends among the party of his opponent. These friends asert that he is possessed of every quality required by the office and is eminently fitted to fill its reuirements in the interests of all the people of that district.

In his canvass Mr. Rodgers has made no promises which he cannot well fulfill after eection. He intends, if elected, to be free to study all matters which may come before the board and to act as his best judgment may dictate.

It will be his ambition to secure for his dstrict the highest class of road building to be obtained from the means at his command. He is a believer in progressive economically administered; demanding that for every dollar expended the people have a right to a dollar's worth of actual value in return. While he would not impovish the treasury for political effect, he believes in a tax rate which will be as low as can be made consistent with a practicable administration of the affairs of the county and the advancement of its progress.

Evidently Grove L. Johnson regards pelitical honesty of more importance than the advancement of family position. This old war horse of the Republican party has announced that he cannot be driven by the tricks of the new political machine to the support of the Bull Moose, even if son Hiram is the tail of the kite.

In the first district H. C. Rodgers is recognized as the people's candidatefor supervisor. As an active member of the Granite Cutters' International Association he is familar with the needs of the large class of laboring people whose homes are in that section of the county and will receive their united support.

A vote for John MacBain means a vote for substantial and permanent roads in the third district.

Hilles Calls It a Steal.

Mr. Benjamin Smith of this city some time ago sent the following letter to Chas D. Hilles, chairman of the Republican national committee and this week received an answer which appears below:

It is unnecessary to inform you that California has been blacklisted and all Republicans are deprived of their vote and cannot vote for President Taft, unless they write the names of Taft electors in the blank left for that purpose. This method will undoubtedly open up channels of dispute.

President Taft in my judgment and in the judgment of thousands in California who believe in the constitution of the United States and who believe in the judgment and advice of patriots such as Washington, Jefferson, Franklin, Lincoln, McKinley, Taft and many others of the same type feel confident that President if given a fair chance would carry California in spite of all that has been circulated to the contrary. Is this right.

Why should California out of all of the states in the union be singled out and denied the honor and privilege of voting for President Taft.

California has always been a loyal state, as her record during the stormy days of the Rebellion will prove. It was born in California well over fifty years ago and until recently have always been proud of my native state. Is it the spirit of the constitution of the United States to deprive me and thousands of others of our legal vote.

I crave pardon for this encroachment on your valuable time, as I know you have little for perosnal grievances. Still I think this California matter flavors of a national issue, and a response would be appreciated.

My dear Sir: I have your letter of October 10th and note all that you say. I appreciate your position as regards the election ticket in California, and thank you for your interest in the good cause. I believe that the steal perpetrated by the third term party in California has incensed Republicans throughout the country. Yours sincerely,

Charles D. Hilles.

New York, Oct. 16, 1912.

Has a Good Record.

William R. Flint, Republican candidate for State Senator from this district spent several days in the county during the past week. Mr. Flint is making a clean, energetic canvass for votes and has made many friends by his straightforward manner and his willingness to discuss all questions of interest affecting the county and state.

Flint has served two terms in the State Legislature as an Assemblyman from his home county, San Benito, and his record as a legislator is one of which he and his constituents are justly proud. A Republican, born and bred, yet his work has been such as to commend it to all parties, for he has realized that he is elected to serve all the people and they alone have been his master.

"Will" Flint's word is his bond with those who know him and when he tells usthat his future work in the legislature will be an endeavor to continue the line he has heretofore pursued for the people of his district and the people of the state, we are satisfied that he means it. Serious questions will be brought before the legislature at the coming session—questions serious to San Mateo county in particular. If the question of the annexation of this county comes before us and afterwards before the legislature, we need a man in the state senate who is our friend in order that our interests may be protected, and Flint has promised, should this matter ever come before him as a member of the lgislature to give this important subject the same consideration as if he were actually a resident of our county.

The legislative experience gained during four years of service in the state assembly and his intimate acuaintance with members of the senate and the administration ably fits him to render service for this distrct if elected to represent it for the coming legislative term as State Senator.

Mr. Flint, who was born in this district in 1869, is the son of one of the pioneers, his father having crossed the plains in '49. He has spent the greater part of his life here, with the exception of a year's servce in the Philippines, where his conduct under fire was such as to merit a letter of commendation from the Colonel commanding his regiment.

Besides his legislative experience Mr. Flint was appointed by Governor Markham as one of the commissioners of Madera county at the time that county was separated from Fresno.

At the last election flint was endorsed by both Republicans and Democrats, and his present nomination was secured without opposition in his own party. In all his career Flint's voice has always been raised against machine domination and his stand has always been on the side of the people, and we of this county, irrespective of party affiliation, can make no mistake in sending him to represent us in the senate.

STATE SENATOR
11th Senatorial District
Counties of San Benito, Santa Cruz and San Mateo

"After four years in the Assembly I am seeking to be elected to the State Senate. I am asking for that election on my record as a legislator.

"If I am elected to the Senate my vote and effort in that body will be for all that puts the most into that citizenship which has now been extended to all."

In the Superior Court of the County of San Mateo, State of California.
Hazel K. Hyatt, Plaintiff, vs. Edgar Hyatt, Defendant.
Action brought in the Superior Court of the County of San Mateo, State of California and the complaint filed in said County of San Mateo in the office of the Clerk of said Superior Court.
Rees P. Daniels, Attorney for Plaintiff.

The People of the State of California send greeting to Edgar Hyatt.

You are hereby required to appear in an action brought against you by the above named Plaintiff, in the Superior Court of the County of San Mateo, State of California, and answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this summons, if served within said County; if served elsewhere within thirty days.

And you are hereby notified that if you fail to appear and answer, the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Witness my hand and the seal of the Superior Court of the County of San Mateo, State of California, this 25th day of October, A. D. 1912. JOS. H. NASH, Clerk.
[Seal] By A. L. Lowe, Deputy Clerk.

CONTROLLER'S DEPARTMENT
State of California

To the Tax Collector of the County of San Mateo, State of California:

Whereas, on various dates, there were filed and recorded in the Controller's Office of the State of California, certain deeds conveying to the people of the State of California, the title to those certain lots and parcels of land hereinafter described;

And, Whereas, said deeds recited the fact that said property hereinafter described was struck off and sold to the people of the State California for the non-payment of State and County taxes, penalties and costs, and all charges levied and assessed against said property for the years 1896, 1906.

And, Whereas, five years have elapsed since the date of said sale, and no redemption, according to law, has been made of said property, or any part thereof;

Now, Therefore, in pursuance of the law, and in accordance with the provisions of Section 3897, Political Code, as amended March 12, 1907, I, A. B. Nye, Controller of the State of California, by virtue of the authority in me vested by the laws of this State, do by these presents authorize, empower and direct you, the said Tax Collector, to sell at public auction, in separate lots or parcels, the property hereinafter described, in the manner following: Public notice shall first be given of such sale by publication for at least three successive weeks in some newspaper published in the county, or city and county, or if there be no newspaper published therein, then by posting a notice in three conspicuous places in the county, or city and county, one of which shall be at the United States post office nearest the land, in addition to a notice conspicuously posted on the land itself for the same period, which notice must state specifically the place of, and the day and hour of sale, and shall contain a description of the property to be sold and shall also embody a copy of this authorization.

The property above referred to, and hereby authorized to be sold, is situate, lying and being in the County of San Mateo, State of California, bounded and particularly described as follows, to-wit:

Property sold to the State June 30, 1897, for taxes of 1896:

160 acres of land, being the W½ of W½ of Section 20, Township 8, South, Range 3 West. Deed No. 131.

160 acres of land, SW¼ of Section 2, Township 8, South Range 3 West and 160 acres of land NW¼ of Section 35, Township 7 South Range 3 West. Deed No. 135.

Property sold to the State June 24, 1907, for taxes of 1906:

Lots 4 & 8, Bl'k 13, Abbey H'm'd. Deed No. 10.

Lots 45 & 46, Bl'k 15, $75 Lot H'm'd. Deed No. 13.

Lot 7, Bl'k 6, $75 Lot H'm'd. Deed No. 18.

Lot 1, Bl'k 36, Map of South San Francisco. Deed No. 93.

Lots 19, 20, 22, Block 11, Map of University Heights. Deed No. 125.

That no bid shall be received or accepted at such sale for less than the amount of all the taxes levied upon such property, and all costs and penalties for every year delinquent as shown by the delinquent rolls for said years to the date of the execution of the deed to the State, and all expenses accrued to the date of the sale under this section, together with interest at seven per cent per annum from the first day of July following the delinquency in each of said years to the date of the sale hereunder, computed upon the aggregate amount of such delinquent taxes, penalties, and costs.

Given under my hand and seal of office, at Sacramento, this 9th day of October, A. D. 1912. A. B. NYE, Controller.
(Seal) By D. A. Moulton, Deputy.

THEREFORE, in pursuance of law, public notice is hereby given that I will, on Monday, the 2d day of December, 1912, at the hour of 11 o'clock A. M., in my office, in the Court House, at Redwood City, County of San Mateo, State of California, sell in separate parcels, at public auction, to the highest bidder, for cash in lawful money of the United States, the said property hereinbefore in said Controller's authorization described, which authorization is hereby made a part of this notice, to-wit:

John Berkenfeld of Huntington Park has chartered a car and is loading all his household goods, including several cows, all destined for Germantown, Yolo county, where he will engage in farming.

Miss Olga Wedell, daughter of Fred Wedell of Belle Air Park, met with a serious accident last Monday in San Francisco while alighting from a street car. She was taken in an unconscious condition to a hospital where after an examination concenssion of the brain was feared by the physicians.

Last Saturday night was a gala night in San Bruno. Excitement enough for the most fastidious. With the winding up of the three days fair at Carpenters Hall and a popular dance given by the I. D. E. S. at Green' hall, several hundred people assembled from far and near. At the fair the hall was jammed to the door, and the occasion presented a fine opportunity for the candidates to meet the voters, and particularly the ladies, of the first township. A prize was offered for the most popular candidate for Supervisor. The friends of both James Casey and H. C. Rodgers entered the contest with vim, backed by money—at 10 cents a vote. The Colma contingent, who accompanied Mr. Casey, began to plunge and bought up blocks of votes. The San Bruno people and other friends of H. G. Rodgers from the coast side, as well as Colma people, began to speculate in the contest and soon had the opposition dismayed and disheartened, for as soon as a Casey vote was recorded, double the number was voted for Rodgers. At the close of the contest the following vote was given out:

H. C. Rodgers	517
James Casey	488

With shouts of joy Mr. Rodgers was made the hero of the evening and was presented with a beautiful silver fish spoon by F. S. Drady of Lomita Park and an asparagus spoon by Mrs. Manuel Silva. Mr. Rodgers responded in a neat speech, expressing his gratitude and thanking his many friends for the interest shown in his behalf. He also congratulated the ladies in charge of the voting booth, as the money they had secured would assist their endeavors in a good cause. At the close of this exciting epoch a delegate from the I. D. E. S. took charge of the most popular condidate and escorted him to Green's hall, where another deluge of joy and hand shaking awaited him. And if a prize were offered there is no question who the winner would be. Cheering reports from all precincts of the township assuring the ultimate success of H. C. Rodgers are encouraging his friends to bend to the oars with indefatigueable zeal.

COUNCIL POSTPONES BONDING ELECTION

Restaurauts and Hotels are to be Exempted From Sunday Closing Edict.

The question of the issuance of bonds for the extension of the city street lighting system will not be submitted to the voters on November 8th, as was originally intended, but will be postponed until some future date, probably the latter part of December. This was the decision reached by the council at its session Monday evening, when the ordinance providing for the election was temporarily withdrawn. This action was taken at the suggestion of Trustee Deleau, who expressed the fear that too frequent elections would possibly operate to discourage a full vote.

All of the trustees were present at the meeting, which was devoid of special interest, but few matters coming up for consideration.

The usual monthly reports of the city officers and employees were read by the clerk and after discussion were filed for reference.

The report of City Treasurer F. K. Towne shows that the receipts of the general fund for the month amounted to a total of $3,331.05, divided among the various sources as follows:

Recorder's fines	$54.00
Liquor licenses	2525.00
Miscellaneous licenses	262.00
Water connections, meters,	130.00
Taxes	358.55
Trees	1.50

The expenditures for the month amounted to $1,927.23, leaving the fund overdrawn to the amount of $3,108.54.

In the water fund the receipts for water rates amounted to $1,-317.55. After expending $1,091.00 for water and $535.90 for supplies and labor, there remains a balance of $1,583.37 in the fund. In the library fund there is a balance of $713.29, after disbursements for a period of three months amounting to $154.92.

In response to a communication from County Clerk Jos. H. Nash, the council expressed a readiness to grant to the county supervisors authority to improve the County road within the city limits as a part of the county highway system as contemplated in the proposed county bonding issue. The city attorney was instructed to consult with the supervisors as to the preparation of the necessary ordinance granting othe permit.

In a communication from J. F. Peckham, its secretary, the San Mateo Building Trades Council made complaint that the contractors for street work in this city were violating the state law which prohibits the working of men more than eight hours perday on public work. As no oneseemed to be aware of the causes of the complaint, the clerk was instructed to request the Building Trades Council to file specific charges or make definite accusations upon which action might be based.

Trustee Deleau asked that the council reocnsider its action of the previous meeting relating to the closing of saloons on Sunday evenings in so far as it affected the sale of liquors in hotels and restaurants, expressing the opinion that due consideration had not bee given the rights of a large element of the public who had been accustomed to the use of wines with their meals and that this portion of the order would result in the injury of the interests of the city without accomplishing any good purpose. In his opinion the proposed ordinance should be so framed as to allow the service of liuors with legitimate meals in all hotels and restaurants. Coinciding with the opinon of Mr. Deleau, Trustee Hahir stated that since the original action he had been approached by many signers of the Sunday evening closing petition who stated that when their signatures had been appended they did not understand that the design was to interfere with the conduct of restaurants. After considerable discussion as to a means of providing gegal distinctons which would prevent abuse of the privileges, the city attorney was directed to so draft the amended ordinance as to allow the service of liquors in hotels and restaurants with meals on Sundays.

After allowing the usual monthly bils the council adjourned to the time of the next regular meeting.

Mr. and Mrs. Henry Payot and Mayor Rolph and wife were the guests of Mr. and Mrs. Walter H. Linforth at their attractive residence last Sunday. Mr. and Mrs. Payot are the parents of Mrs. Linforth and usually spend the weekends here. The genial mayor expressed himself as much pleased with Menlo Park and would like to see it one day a part of San Francisco.

The engagement of Miss Adeline Feeley, oldest daughter of Mr. and Mrs. William Feeley of this place, and Edgar Douglas is announced. The wedding is to take place on December 5th. The bride to be, since her graduation from the high school at Redwood City, has resided with her aunt, Mrs. J. Fowle of San Francisco. Mr. Douglas is an employe of the Southern Pacific Company and is spoken of by those who know him as a most exemplary young man.

Edward Wall, an old time resident of Menlo Park, passed away at San Mateo last Saturday after a short illness, caused by an attack of pneumonia. The deceased had lived here for the past forty years and was universally respected. Mr. Wall was a man of education, refinement, possessing a strong religious ferver and was a loyal Irishman. He was anative of Ireland. and as a young man attended Maynooth College, one of the famous colleges of Ireland, where he began his preliminary studies for the priesthood but later abandoned his idea of studying for the ministry. He came to this country in his youth and in the early seventies owned and conducted a large dairy and vineyard in Sonoma county. He met with reverses and then came to this locality where he remained up to the time of his death. Mr. Wall was a devout Christian, a good church member and a man of sterling worth. For many years he had been sexton of the Church of the Nativity. The funeral took place Monday from the Catholic church and interment was in Holy Cross cemetery.

The death of Mrs. Rosana Headley on Sunday last removed from Menlo Park one of the oldest and most highly respected pioneer residents. She had resided here for the past forty years and it was here that she married the man who mourns her and here it was that her two sons, George and Edward Headley were bourn and raised. The funeral on Tuesday was largely attended by sorrowing relatives and friends who followed the remains to their last resting place in Holy Cross cemetery. Mrs. Headley was a kind and good woman and a devoted mother. The beautifying influence of a pure religion was spread over a life and character as spotless and charming as was evor possessed by any of the good women who have lived and gone before her. As such a life was a blessing and benefacation to all within her sphere of its influence, so is the death of such a one as public misfortune, as well as an irreparable loss to the home circle made desolate by her departure. She was a kind and thoughtful neighbor, a sincere friend and in her heart of hearts she carried those she loved, and her hand was never weary nor her step neve failed in ministering unto, caring for, and waiting upon those wo were in any way dependent upon her. She lived a good long life, being 66 years at the time of her death, and her many acts of kindness will long be remembered by a large circle of friends. The bereaved family has the profound sympathy of the community.

New Law for Rail Hunters.

Folloinwg the precedent of the boards of Alameda and San Mateo counties, the board of supervisors of Santa Clara County has adopted an ordinance prohibiting the shooting of rail during the open season from boats. The season opens on November 1st, after being closed for over a year. Rail is one of the most stupid of game birds and its extermination is feared. The bag limit has also been changed, twelve' being the limit for one day's shoot. This is a good change if the law is enforced, but we believe it will be disregarded as many other laws that are supposed to protect the different kinds of game.

RELIEF CORPS WOMEN HONOR COMRADE

Splendid Reception is Tendered National President of Order by Her Home Corps.

The assembly room of the Womans Club housein Dingee Park was the scene of a notable fraternal gathering on Wednesday evening, when the members of Gen. Geo. S. Evans Relief Corps gathered to congratulate Mrs. Geraldine E. Frisbie, one of the charter members of the Corps and its first president, onher elevation to the office of National President of the organization and incidentally to felicitate themselves upon the signal honor thus bestowed upon the local Corps in this nationwide recogniton of the ability and work of one of their own members. In their labor of love, the members of the local Corps were assisted by the members of McKinley Corps of Palo Alto and the comrads of George S. Evans Post, G. A. R. of this city, swelling the assemblage until every available seat in the reception room was occupied.

As soon as the assemblage had been seated, Mrs. George, the president of Gen. Geo. S. Evans Corps, presented Mrs. Frisbie and her accompanying officials, Mrs. Cora A. Merritt of Oakland, national secretary and Mrs. Emma S. Hampton of Michigan, past National President, who stood and received the greetings of the assemblage.

Responding to the messages of congratulation upon her elevation to the highest honors in the gift of the order, Mrs. Frisbie spoke but briefly, modestly givnig way to the presentation of other speakers and an interesting program of numbers which had been prepared to enliven the occasion. At the outset she extended thanks to the members of the home corps for their splendid efforts in her behalf, detailing some of the new and unique methods of fraternal campaigning which had been devised and she felt assured effective used. Passing from these experiences of fraternal regard, Mrs. Frisbie briefly adverted to her experiences and work in the order, detailing feeling events whichlead up to her participation in the organizaton of George S. Evans Corps, the earliest of her experiences as a fraternal worker and an organization which had ever claimed her best devotions. In closing her evidently too brief talk, Mrs. Frisbie urged upon her hearers the importance of earnest devotion to the cause and asked perosnal support of each in the performance of her important duties.

After brief addresses by the visiting officers of Mrs. Frisbie's staff and representatives of the Grand Army, a short program consisting of the following numbers was rendered: Vocal solo, Mrs. M. E. Hanson; recitation, Mrs. Grover, of Palo Alto;, vocal solo, Miss eGrtrude Read; violin solo, Mr. Roller of Palo Alto. Following the program a short time was devoted to the extension of personal congratulations to the honored guest of the evening and the enjoyment of light refreshments which had been provided by the members of the corps.

Story of an Indian Myth.

Patrons of the Bell Theater were treated to an extra number on the program last evening, five reels being shown instead of the usual four. The occasion for this was the presentation of "A Pueblo Legend," a two real productien of a mythological story of the Indians of the southwest, one of the most interesting of the evey popular representations of the myths of the aboriginees. That the production might be true to nature, the scenes were made in the old Pueblo of Isleta, New Mexico, the place where the incidents of the story occurred. The same program will be repeated this evening and, notwithstanding the added expense in securing the special pictures and extra reel, there will be no increase in the price of admission.

Hull Bros have a display at their store on Main street that is pronounced the most artistic yet seen in any sporting goods store. In one of their show windows is an exhibition of guns and hunting material together with a group of marsh fowl artistically arranged, the work of Chase Littlejohn, the taxidermist, that is most attractive. Few people pass without stopping to admire the display and compliment the proprietors on their good taste.

Surer because speedier. The steel lining grips the powder charge with just the exact compression that puts every ounce of drive into the shot.
Cleaner because the "factory loaded" pattern hasn't a hole or a "wing tip" in it. And, too, Eastern factory loading means uniformity—every shell shoots alike.

To Please the Palate
is our aim in serving meat—to retain the fine flavor Nature bestows, not to let it go to waste, as some meatshops do. With prolonging this true tale, it may be set down for a fact that here is to be found a first-class place to purchase beef, mutton, lamb, ham, poultry and game, to give your table good credit with household and guest.
